SURVIVAL UNDER ATOMIC ATTACK: (being a Service from the Office of Civil Defense of the State of California):

****

YOU CAN SURVIVE! YOU CAN LIVE THROUGH AN ATOM BOMB RAID AND YOU WON'T HAVE TO HAVE A GEIGER COUNTER, PROTECTIVE CLOTHING, OR SPECIAL TRAINING IN ORDER TO DO IT!

THE SECRETS OF SURVIVAL ARE: KNOW THE BOMB'S TRUE DANGERS. KNOW THE STEPS YOU CAN TAKE TO ESCAPE THEM.

To begin with, you must realize that atom-splitting is just another way of causing an explosion. While an atom bomb holds more death and destruction than man has ever before wrapped in a single package, it's total power is definitely limited. Not even hydrogen bombs could blow the earth apart, or kill us all by mysterious radiation.

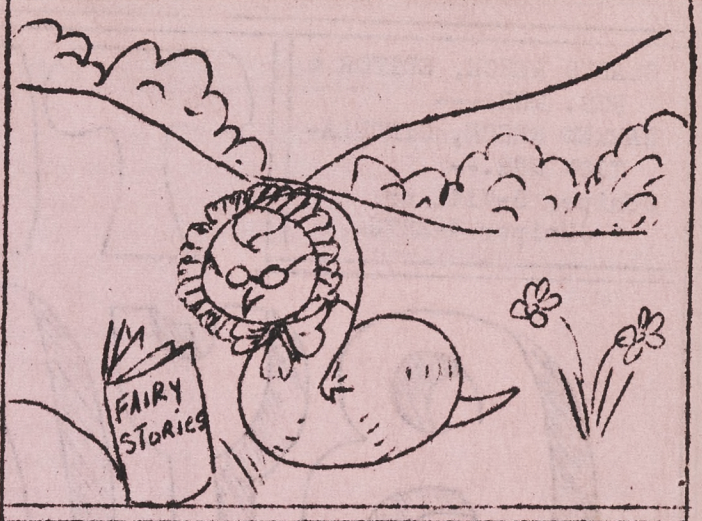
Because the power of all bombs is limited, your chances of living through an atomic attack are much better than you may have thought. In the city of Hiroshima, slightly over half the people who were a mile from the atomic explosion are still alive. At Nagasaki, almost 70 percent of the people a mile from the bomb lived to tell their experiences. Today thousands of survivors of these two atomic attacks live in new houses built right where the old ones stood. The war may have changed their way of life, but they are not riddled with cancer. Those who were temporarily unable to have children because of the radiation now are having children again.

WHAT ARE YOUR CHANCES? If a modern A-bomb exploded without warning in the air over your home town tonight, your calculated chances of living through the raid would run something like this:

Should you happen to be one of the unlucky people right under the bomb, there is practically no hope of living through it. In fact, anywhere within one-half mile of the center of explosion, your chances of excaping are about one out of ten; On the other hand--and this is the important point--from one-half to one mile away, you have a 50-50 chance.

From one to one and one-half miles out, the odds that you will be killed are only 15 in 100. And at points from 1½ to 2 miles away, deaths drop all the way down to only 2 or 3 out of 100. And at points from 2 miles on, the explosion will cause practically no deaths at all.

Naturally your chances of being injured are far greater than you chances of being killed. But even injury by radioactivity does not mean that you will be left a cripple, or doomed to die an early death. Your chances of making a complete recovery are much the same as for everyday accidents. These estimates hold good for modern atomic bombs exploded without warning. (Watch for Chapter II of "SURVIVAL" in the next issue.)



FOR THE BABY BOOKWORMS

****

Hello, fellow readers! This week we've decided that the "little people" deserve a break, too. So we have gained permission from the author of "THE WONDERFUL PENNY", Elizabeth Alice Theis--to reprint her wonderful fairy story here in SERIAL FORM. This is the tale of a little copper-colored coin with an imperfection that proved it's salvation. (Incidentally this book was published in 1946 by THE PAEBAR COMPANY. Elizabeth Alice Theis is a very good friend of ours, with a heart as big as her talent

****

THE WONDERFUL PENNY:--

A little lad about six years old trudged wearily homeward. Shoes, ragged and worn, hardly kept the snow from his feet. In fact, his toes could be plainly seen, blue and numb from the cold.

A gust of wind drove him momentarily into a doorway. Crisp, fleecy snowflakes swirled therein to kiss his cheek with icy affection. The lad shivered as his little threadbare coat strove to keep it's owner warm. Across his shoulders hung a faded plaid shawl, but long years of usage had taken all the warm nap from a once brilliantly-hued material. It was his grandmother's shawl.

He smiled a trifle happily as he thought of his aged guardian. His hand in the depth of his pocket, jingled a few coins. How happy she would be because he had sold a few newspapers that day! The touch of the copper coins sent a thrill to his heart. This night there would be buns and tea; and perhaps a bit of sausage. And tonight was Christmas Eve!

But soon he fared forth again, and had anyone taken notice, he or she might have seen that the lad limped badly. Something was wrong with his left leg--as though it was a trifle too short for its mate.

SAN MATEO COUNTY NAMES CD COORDINATOR:

C. J. Ballreich, retired Navy captain, will be San Mateo County's civil defense coordinator. Supervisor Edward R. McDonald, chairman of the County CD and Disaster Committee, and of the joint County-Cities CD Planning Board, recently announced that he would recommend to the supervisors that Captain Ballreich be appointed. Captain Ballreich, who lives at 835 Fremont St. in Menlo Park--in addition to coordinating civilian defense plans for the 13 cities in the county and the large unincorporated territory, will be assistant CD director for the unincorporated areas. As assistant director, he will serve under County Manager E. Robert Stallings , who two weeks ago was named director by the supervisors. The work of handling CD planning and organization for the unincorporated territory actually will be done by Captain Ballreich.

CHURCH NEWS:

The men's Brotherhood will welcome D. R. Fletcher Royal of Berkeley to the Bethel-Baptist Church of Brisbane next Tues. evening, at 7;30, to address the combined Brotherhoods of the Bay Area on Religious Education, pres. Riley W. Edwards has announced. Dr. Royal comes well prepared for the task, as he is a graduate of the Southwestern Baptist Theological Seminary, and is currently Assoc. Prof. of Religious Education at the Goldengate Baptist Theological Seminary of Berkeley. Dr. Royal will correlate his material to present facts that pertain directly to the Christian education problems of the churches of the area.

Reverend Robert Wilson will lead a song service. Refreshments will follow the evening program. A cordial invitation is issued to pastors and men of the Bay area.------BRISBANE BETHEL-BAPTIST CHURCH

Last Friday night eight Brisbane people went down to the opening of the New Nazarene Church in Redwood City. Services were held, and Diane Varney, Helen Nielson, and Marylin Findlay sang three specialties. The three girls are local girls. A young lady from Sunset Nazarene gave a saxophone solo, and the message of the evening was brought by Nettie Neff.

LOCAL BOY BREAKS OUT OF HILLCREST:

Three teen-age boys jimmied their way out of Hillcrest, San Mateo County Juvenile Home early this week. According to Loren Beckley, superintendent of Hillcrest, the boys left in only shirts and trousers, despite the cold weather. The escape took place between 5 and 7 a.m., while the night supervisor was writing his reports. He had checked the room in which the boys were locked at 5 a.m., and found them gone on the second check, two hours later.

Two of the missing boys are 15, and one is 14. They come from San Mateo Brisbane, and Redwood City. One is a runaway, one in for burglary, and one for probation violation.

On Saturday, March 3rd, the rough and tough Brisbanites went to play Candlestick Cove, and won by forfeit. Our boys were leading 27 to 24 when the Candlestick Cove boys started a fight. Before our boys could show them the manly art of self-defense, the fight was stopped. Jerry With was high point man with 15 points. Larry Conway made 8, Ron Wright 4--with Vincent Reece and Donald Saunders doing excellent jobs rebounding off the backboards.

Later the same day, the Bulldogs lost to the Bayshore "boneyard" bunch by the score of 47 to 40. Jerry With and George Babkirk tied for top honors with 12 points each--Ron Wright had 10, Beryl Beall had 6--and Larry Conway was setting up plays and guarding for fast breaks.

****

Other basketball scores include; DUKES won over the BRISBANE BULLDOGS by score of 25 to 16, on March 1st, at San Mateo High gym. In the starting lineup for Brisbane were Jerry With, George Babkirk, Beryl Beall, Darryl Chapman, and Jerry Yarbrough.

The Brisbanites won over the "Dukes" on Feb. 22nd by score of 30 to 16. Sparked by Don Rose with 9 points during the first half, the Brisbanites took all the play away from the Dukes and gave them only 4 points during the rest of the game. Don Rose was high point man with 15 points--Leo Villar made 6, Ron Wright 4, Merle With, 3--and Jerry With, 2.

The Brisbane 11 and 12th graders lost to the All-Americans on Feb. 22nd by score of 20 to 17.

WHA' HOPPEN, BRISBANE???

I'M only the EDITOR of this paper-nobody ever tells ME anything! Believe it or not, I had to read about our "Big Bookie Raid" in the City Papers! Sure, we saw all the plain-clothes men in town on Tuesday afternoon---but in these days of elections and polotics, "plain-clothes" men could mean anything from PRESIDENT TRUMAN to Casper Milquetoast! There it was, on Wednesday morning--the headlines: "SAN MATEO DEPUTIES RAID BOOKIE CENTER"--and "FOUR BOOKIES ESCAPE RAID BY TWO-STORY LEAP"---and gee whiz! I had to read the whole article before finding out that said "Bookie Center" was right here in Brisbane, on the floor above the Visvalley Club. WHY IN HECK DON'T THESE CHARACTERS STAY OUT OF BRISBANE, ANYWAY! Here we were, coasting smoothly along, congratulating ourselves on seeing nothing but nice stuff in the Peninsula papers about us lately--and whammy!--THIS hits us right between the eyes. As for the people mentioned in the article, "George the Greek"--"Pete", "Ruby"--and "Al, the Butcher"--well, can't say I've had the pleasure of meeting the characters. Seems funny that they could walk around on our sidewalks without SOME of us knowing what they were, doesn't it? But that's the way these guys work, I guess----they look like ordinary citizens, even as you and I. Guess we can't be suspecting EVERYBODY we meet on the street-can we???

YE EDITOR.

DID YOU KNOW:

that Tony and Lucille Peterson, of the "Tony's Steak House", are now residents of Brisbane, having rented the cottage behind #30 Visitacion Avenue?

that Jean and Carol Corrigan, with Marilyn Glenn, took a trip up Lake Tahoe way last weekend, for skiing--with no broken bones reported? And that the gals enjoyed the dancing at the Stateline Lodge?

that Dolores Bybee celebrated her 16th birthday on March 6th, with a quiet family gathering at her home at 44 Inyo Street?

that Floyd Yarborbugh was also celebrating his birthday on the 6th, but it WASN'T his sixteenth?

that Mr. G. B. Stockton, our Lorene Harris's father, left last Sunday to return to his home in Hobart, Oklahoma, after a three month visit here with Bill and Lorene?

that former residents of Brisbane, Mr. and Mrs. Jean Fogleman, are the proud parents of a baby boy, born on March 6th at the St. Joseph's Hospital in San Francisco, and that the new little Fogleman is named David James? (The Jean Fogleman's now live in Candlestick Cove.)

LOCAL THEATER MAN BURNED:

Jim Leaskou, one of the partners of the Brisbane Theater, was burned in a flash explosion of the theater furnace last Sunday afternoon, when Jim found out the "hard way" that the pilot light had gone out. He was rushed to the emergency Hospital by partner Chris Mentis, where it was found that Jim had suffered second degree burns about the face and on the right hand. So if you see a "mummy" walking around the theater, THAT'S NO MUMMY--THAT'S JIM MENTIS!

LOCAL BOY HAS OPERATION:

Little five year old Jimmy Meyer, of Klamath Avenue, was taken to the Doctor's Hospital in S.F. last week, where he lost his tonsils and adenoids. He had a pretty bad time of it, according to reports, but was a very brave little boy about it all. His grandmother, Mrs. Aldrich, an ex-resident of Brisbane, held his hand during the ordeal. Jimmy is feeling better now.
